

# BROOMFIELD EAGLES BASEBALL

## 2022 COLORADO 5A STATE CHAMPIONS

Dear Prospective Sponsor,

Thank you for your interest in supporting the Broomfield Eagles baseball program.

We are coming off an incredible 2021-2022 season in so many ways...

- Varsity earned the first 5A State baseball title in school history. The 6<sup>th</sup> overall title since 1963.
- 3 players earning All-State honors
- 5A Player of the year and 5A Coach of the year
- 10 Varsity Players received All-Conference recognition.
- The program's 3-teams overall amassed an incredible 51-12 record.

We want to encourage your support for the 2022-2023 season as it is through your generosity and support that we are able to hit these milestones each year. 100% of the money raised goes towards the purchase of equipment, uniforms, and maintenance & improvements in our facility.

As a sponsor, you will be exposed to our community, be promoted through social media outlets and game day presentations, and have opportunities to engage our fans at our games and other season events. With Broomfield Baseball, you aren't just supporting the team but we are actively promoting your business and the positive contributions you make.

I'm very proud to be the Head Coach of this great program. We truly appreciate your consideration and support

Kale Gilmore

Head Baseball Coach
